SUBJECT: Inadequate tax preparation can lead to wage garnishment

Dear ~Contact._EmailSalutation~,

Thank you for contacting us about your tax preparation questions. Call us today at (Redacted) to discuss how we can help you.

- Do you have unfiled tax returns?
- Has the IRS already started garnishing your wages?
(links redacted)

By not properly preparing your taxes, you risk the state or the IRS garnishing your wages. They can and will do this. They do not worry about your embarrassment or your other bills. They want their money and they will collect it from you.

At (Redacted), we will help you navigate through IRS tax disputes, state tax resolution, settling back taxes and IRS debt, tax appeals, tax liens and levies, all in an effort to avoid having your wages garnished. Whatever your specific problem is, we will offer you a tailored solution as unique as you.

Let's work together to build a secure future for you.

Contact us today at (Redacted) to schedule your important tax consultation.

We look forward to working with you.

Sincerely,

(Redacted)

Dear (Redacted),

It has been some time since you contacted us about your tax preparation. We know we can help you. Please call us today at (Redacted) to schedule your important tax consultation and have your questions answered.

The IRS is relentless. Unresolved tax debt will result in drastic action. You could find yourself facing:

- **IRS Liens** – Can negatively impact your credit, property, and finances
- **Tax Levy** – The IRS will take money directly from your bank account
- **Seizure of Assets** – The IRS has the power to seize your assets as compensation for unpaid tax debt
